

Our Youth is the Future

We fulfill our unique destinies by investing in the destinies of others.

Middle and High School students from across Moon Township, Coraopolis and surrounding communities participate in our ministry. Young people desperately want their lives to count, and strongly desire to make a difference in the world. We believe in students and come along side them by investing in their lives. It is our hope that students are impacted through our ministry.

The Harvest Moon Race is a family event that people look forward to all year.

It's more than a race!

- 10M Run/Walk
- 5K Run/Walk
- Kids Fun Run

Of course we still have our signature post-race treat of HOT APPLE CRISP!
